Part II, Section C, line 17a, Facts and Circumstances Test:

What facts show that we are consistently seeking new and additional public and governmental support? The Walker Area Community Foundation (WACF) VP of Marketing and Donor Development is tasked with securing donations from the general population by hosting an Annual Luncheon in which more than 450 people join to hear about the work of the Foundation. Five to ten smaller events are held throughout the year to increase philanthropy in Jasper and in Birmingham. The Foundation's initiatives are consistently writing grants to fund their projects. Quarterly newsletters are mailed to more than 5,000 people and include a section where donors are recognized for their memorial and honorarium gifts; a gift remittance envelope is included in each newsletter. The Foundation Facebook page encourages donations from the general population for specific projects as well as for general Foundation grantmaking. The Winston County Fund has been established and is growing. A new fund has been started to represent Marion County when heretofore our primary service area was Walker County. We are in constant contact with the AL Attorney General's Office over the Opioid Settlements. Our Early Learning Partner secured a \$2 million annual Head Start grant with technical assistance from an Early Learning Expert paid for by a grant from the Foundation. Our staff worked with three local municipalities to secure a \$250,000 grant through the USDA Rural Development to participate in the Rural Placemaking Innovation Challenge.

include creating waterway access points throughout Walker County opening four access points along our river for paddlers to put in and take out, building primitive campsites along the blueways, building the first accessible archery park in the state, and creating a walking trail for visitors at the Walker County Lake, among other amenities. For Vibrant Communities, we partner with Friends of Downtown Jasper to stress broad community engagement and strategies that create jobs, spark new investment, and attract visitors. Because of this partnership, more than \$5.8 million has been invested in building rehabilitation and new construction creating 130 jobs with 36 new businesses. Also, over the last three years, WACF hired consultants to help willing municipalities in Walker County develop a unique plan for how it wants its future to look and how to build on its resources. The Bankhead House & Heritage Center (BHHC) is owned and operated by the Foundation and is a place where people gather to experience a diverse range of exhibits and events. The BHHC offers a series of exhibits each year to reach all types of people and interests. There are also permanent exhibits: The Walker County Room, A Tribute to our Military, and The Tallulah Bankhead Room. The Foundation grants to our local school systems each year to provide transportation for classrooms to tour Heritage Center exhibits. Our Amphitheater serves as an arts and cultural location for our community with classes, concerts, outdoor movies, plays, storytelling, and cultural gatherings aimed toward advancing the arts and history in Walker County.

Facts that show that our grants continue to be available to the public on a wide basis-It is widely known with our nonprofit organizations that WACF has two grant cycles per year with deadlines on March 1 and September 1. We are not a large community, so the WACF serves as the primary source of

income for the organizations that applied in 2022. WACF's general unrestricted grantmaking fund, the Community Fund, awarded grants to 61 organizations in 2022. A press release is sent to our local newspaper announcing the grant window and is communicated to WACF's Walker County Nonprofit Council, a 70+organization council. The Foundation put in place a new grant cycle to expedite the "\$5,000 and less local grants". We have a grant review team that reviews those grants and makes funding decisions. We also have a three-person team that reviews grant applications from nonprofits that focus on the Onward Grant Cycle which helps support families that need a boost to become economically stable. Facts that show that the public continues to be involved in our choices of programs to support In 2022, WACF utilized an 10 person Grant Review Team to interview grant applicants and make funding recommendations to our Board of Directors. These Team members represent a cross-section of Walker area individuals dedicated to asking hard questions and giving thoughtful advice to our board. They are unbiased advisors focused on the strength of the grant before them. Two of the Review Team members held Donor Advised Funds with us when they served on the team last year but were not the primary funding sources for the grants they reviewed. WACF pulls together community members to discuss various topics throughout the year for our Strategic plan initiatives as well as for other community problems that arise. More than 150 people have participated annually in these meetings in years past. The Bankhead House & Heritage Center (BHHC) is admission free and open to the public and advised by a Council which is comprised of local citizens who advise and assist in the development of the BHHC and its grounds. The WACF is one of the anchor organizations of HAP. HAP identified funding from the Health Resources and Services
